

12/13/14

Dear Saint Margaret Mary School Parents,

With the holiday season upon us, many of our evenings and weekends will be spent preparing for Christmas celebrations. While some may see ‘visions of sugarplums,’ the students of SMMS will continue to have equations, essays, science, reading and history ‘dancing in their heads.’ Please remember to include study time in your holiday plans - at least until December 19!

The agenda for this week is quite ambitious for both the faculty and students. Not only will they continue their academic program, but they will also enjoy the many holiday traditions of our school. One such tradition is our annual **Christmas Music Program**. This year our theme is *International Christmas*. The children will be practicing all week in preparation for this very special event. A few important tid – bits to remember are:

1. The program will commence at 7:00 p.m in the church.
2. Doors will open at 6:30 p.m.
3. Please be respectful of all school reserved signs and postings on the pews.
4. It would greatly be appreciated if aisles or entry ways were not blocked. The walkways need to be freely accessed by the children during the show.
5. At the end of the show parents must retrieve their children from the classroom only. This is for safety of the children!
