Dear St. Margaret Mary School Families,

Thanksgiving is a time of year when we reflect on our many blessings. While its true that life is filled with many challenges, this is the time of year that we stop to take a bit of time out to express how grateful we are for the people in our lives who love and support us. I am personally thankful for my family, my friends, my faith and my hardworking faculty/staff who work tirelessly so that our students may believe, achieve and succeed! Yet, I am particularly thankful to the parents of Saint Margaret Mary School for their trust and support. I understand that parents entrust their children to me and my faculty and there is nothing more important to us than to nurture, care for and develop your children to become all that God has created them to be. We are committed to pursuing excellence in all that we do and we seek to instill this attitude in our students, through cultivating the God-given gifts and abilities of each child. Again, thank you so much for your continued support and confidence! HAPPY THANKSGIVING (:

Blessings,
Mrs. Zimmerman
